IMPROVE ENGAGEMENT WITH EASE

The new Gold's Gym App is an end-to-end software platform built to deliver engagement and growth for your gym. It's a simple unified solution for your entire business, staff, and members. All custom branded for your gym.

CLASSES IN THE GYM & ON-DEMAND

Members can plan their workouts in advance by accessing the schedule for upcoming exercise classes. All your members are provided free unlimited access to exclusive on-demand workout videos developed by Certified Gold's Gym trainers worldwide.

SCHEDULING A CLASS

Enhance your members' experience with a branded mobile app that allows them to book classes, make contactless payments, and engage with your studio.

MY TRAINER

Make your expert staff accessible to your members who need them with the ability to quickly find a suitable trainer. Members can easily form 1-on-1 connections with your trainers.

CONNECT TO YOUR CURRENT BILLING & CRM

Your new platform seamlessly connects to your existing billing and CRM software to create a frictionless membership experience.

VIRTUAL TRAVEL PASS

Go paperless to provide members the freedom to explore working out at other Gold's Gym locations. The virtual Travel Pass allows members to easily visit other gyms locally and around the world.

THE OFFICIAL GOLD'S GYM APP

ENGAGE MEMBERS & GENERATE REVENUE

Increase your non-dues revenue with existing members. Engaged members buy more ancillary services and products.

Members want consistent communication, community integration, value, and convenience. Give your members the tools they need to engage and communicate with your expert staff.

ACCOUNT MANAGEMENT

Members can easily make payments, manage their membership profile, update their account / billing information, and view their gym check-in/purchase history.

IN-APP PAYMENT & MEMBERSHIP RENEWAL

Members will be able to renew their membership and make purchases for PT hours, subscriptions, and premium content directly within your app through in-app purchases.

CLUB LOCATOR

The locator is fully customized to match your theme, branding, colors and exact fonts. Easy to setup and simple to manage through our dashboard or CSV bulk upload.

TRACK PROGRESS

Help your members stay on track with their fitness goals by assigning them tailored routines.

LATEST GYM INFO & ALERTS

Quickly find gym information including open hours, nearby locations and more. Have questions? Contact your local gym directly via the app. Plus, when you enable push notifications, you are provided the latest alerts and messages from your local gym.

CUSTOM BRANDING

Your new app will feature your gym's branding for a smooth and reliable member experience across all platforms (app, website and social media).
